FOR IMMEDIATE RELEASE: CK Quarterman spent most of his life as a respected authority on business ownership and franchising, but a chance encounter on an evening walk lead him to completely shift his focus to End Time Ministries. In his new book *Fallen Angels Giants, UFO Encounters and The New World Order*, (Ambassador International, \$10.99, paperback) Quarterman delves into one of the most fascinating and strategic topics in ancient texts: the record of fallen angels, giants, and UFO's. Much of this era is shrouded in mystery, and belongs to an age in which the pyramids and great wonders of the world belong. It is an era, which was destroyed by God's judgment, a flood, which left the world everlastingly, changed, the evidence of which is found in the tales, folklore and traditions of many cultures around the world. Quarterman studied this evidence extensively and now reveals his findings in the pages of *Fallen Angels*.

Quarterman became a Christian as a young boy and uses his Bible College studies to provide explanation and proof into the world of fallen angels, giants and UFOs. Quarterman explains, "There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown" (Genesis 6:4).

Quarterman believes we are currently at a climax of human history "The end of the world as we know it is about to take place," he writes. "A storm is gathering, so terrible as to cause men's hearts to fail them for fear; we must not approach this coming apocalypse unaware and unarmed."

Over the years Quarterman has studied law, medicine and even electronics, becoming an expert on business ownership and franchising. He speaks regularly on the topics of end times, fallen angels, UFOs and more. Quarterman and his wife live in South Carolina.
