**For immediate release:** Dustin Daniels doesn't view pornography and lust in our culture, our churches, or our homes as the elephant in the room that everyone ignores. No, to Daniels it's the "enraged lion that is seething to devour Christian homes at a pace that human history has never experienced before." In *The Sex Spiral: Forgiven and Free from Pornography* (Ambassador International; January 8, 2018; \$13.99), Dustin Daniels—a redeemed porn and sex addict—teaches God's design for sexuality along with the triggers that lead to porn addiction. Readers will see that pornography, and the shame from viewing it, does not have to rule over their life—there is hope beyond the screen.

To his shame, Daniels spent over two decades in bondage to lust. His lifestyle resulted in adultery and divorce (twice). It all started with finding his father's collection of pornography in the guest bedroom. He questions how he could have started there as a child and ended up hiding in a woman's bedroom closet with a gun in his hand over twenty years later.

Sexual sin is powerful and unforgiving—it grows if unaddressed and devours lives. Daniels writes that it was only through his active church community and, most importantly, the forgiveness and grace of Jesus Christ, which broke his spiral of sin and allowed him the freedom that the Scriptures proclaim. Daniels' book is not a self-help book or a twelve-step program, but rather a Biblical plan to experience not only the forgiveness of Jesus Christ but also the freedom He promises.

Readers will be encouraged by one man's story of grace. Daniels' book can be applied to every sin—not just lust—so believers and nonbelievers alike can reap truth from its pages.

**About the Author:** Dustin Daniels is the founding pastor of Seven Places, a Christ-centered sexual purity ministry and the host of God, Sex & You, a daily discipleship podcast focusing on healthy sexuality which is listened to in 80 countries around the world. ### **Endorsements:**

I have known Dustin Daniels for quite some time now. He has been a “voice crying in the wilderness” or more accurately the desert of Arizona. His has been a strong and biblical voice over the airwaves of his radio show. He has spoken and taught the truth. Now he has put his wisdom in this book. I encourage you to read it and be blessed. My further encouragement is that you too will be part of the remnant who doesn't conform to culture. I encourage you to be a person of moral integrity. Finally, I hope that you will be a voice of truth to those you influence, perhaps mainly your own family.

This is a compelling resource that I'm delighted to recommend to anyone battling sexual sin.

Fighting the lure of pornography is exhausting for so many. *The Sex Spiral* holds a new approach to experiencing both forgiveness and freedom in Christ, and finally severing the addictive hold of sexual temptation. Bravo to Dustin Daniels for sharing these realistic triggers for every man to follow.

—Shaunti Feldhahn

Social Researcher and best-selling author of *For Women Only* and *Through a Man's Eyes*

We may know our position on pornography, but that hardly helps the person entangled in porn to free himself. What we need today are more tools—practical, clear, Biblically based—so the habitual porn user can learn what to do about the problem rather than hear yet another sermon on how serious the problem is. Dustin Daniels has contributed just such a tool. *The Sex Spiral* is both an eye opener and a challenge, and those in bondage to porn, as well as those who minister to them, will find answers and approaches here.

—Joe Dallas

Author of *The Game Plan*, *The Complete Christian Guide To Understanding Homosexuality*, and more
