RENEW YOUR SPACE AND SPIRIT IN 20 DAYS WITH A TOTAL HOME MAKEOVER Author and Home Management Expert Renee Metzler Coaches Readers Through Transformation

FOR IMMEDIATE RELEASE: Get a Total Home Makeover in just 20 days with the help of home management expert Renee Metzler. Renee's new book *Total Home Makeover: A 20-Day Plan to Renew Your Space and Spirit* (Ambassador International; August 2012; \$11.99, paperback) includes daily coaching sessions, to-do lists, prayers and scripture. In Total Home Makeover, she will help you:

- **Renew your spirit** by building intimacy with a God who shows up, hears, cares and speaks.
- **Break into pro-active home management** by establishing smart daily and weekly routines that keep your home running smoothly.
- **Coach your family** to get involved with home keeping and chores and give them the gift of responsible living.
- **Organize each room** to fit your family's lifestyle and renew your space.

Renee gave up a full-time career to become a full-time mom and home manager ten years ago. But she quickly realized she had never learned the skills necessary to do this job well. "I felt completely lost with the 24 hours of unstructured time," explains Renee. "So I started to research smarter ways to manage a home. This book is a quick-start manual that will help any home manager do their job with excellence, taking life from chaos to order." *Total Home Makeover* also includes handy worksheets like a meal planner, chore chart and room planner. Renee Metzler is a freelance author and speaker who helps women to live in balance, purpose and victory. As founder of Renee's Joy Journey, found at renee-joyjourney.com, Renee blogs weekly to help women break free into their destiny.
