**For immediate release:** S.A. Jewell takes readers through a fictitious, apocalyptic journey in *Blink* (Ambassador International, July 2017, \$15.99, paperback). *Blink* contrasts the godly attributes of minor Christian characters before they are raptured from earth and the worldly, sinful behaviors of unbelievers who linger behind. It follows the lives of normal citizens who mourn the loss of loved ones to official world leaders who try to explain the sudden disappearance of a large portion of the population.

S.A. Jewell's work focuses on those who missed the good news of the gospel before the rapture and now find themselves studying the Word of God in times of great persecution. *Blink* strikes a chord—all the pain, suffering, and loss could have been prevented if the people left behind had chosen to believe in Jesus in the first place.

S.A. Jewell's interpretation of the last days makes for a fantastic, quick read. Trail behind the stories of Jason, President Foster, Moshe Ben-Zion, and Marcus Junius into a world that one day may be a reality.

**About the Author:** S.A. Jewell is the author of two young adult fiction books, *A Christmas Dinosaur* and *Visit from a Shepherd Boy*. She holds a master's degree in Bible Studies from South Florida Bible College and Theological Seminary and a BFA degree from Massachusetts College of Art. Sara is the founder of [www.teamofGod.org](http://www.teamofGod.org), a non-denominational Christian ministry encouraging Bible study and helping the needy.
