For immediate release: *Clear Confusion* (Ambassador International, July 1, 2019, \$16.99) by local author Kathy M. Howaard is a great title alone. The beginning starts out on a simple task to spend some time grieving the loss of her father. This exciting journey takes Charlotte Hallaway on a new path of learning to trust and struggling with emotions that she isn't sure what to make of. Will she get back home and figure out who she is in the process?

About the Book

What am I going to do, God? Who am I?

Charlotte Hallaway needs to come to terms with her father's death. He had been her only family, and she wasn't handling her grief well. It was just supposed to be a few weeks of peace and quiet to process it all, but then she saw them—a drug deal and a murder within seconds of each other. And they saw her.

Now running for her life, Charlotte boards a bus to escape her pursuers and wakes up the next morning in the woods of Jennings, Georgia, without a memory of how she got there or of who she is. All she knows is an underlying fear she can't seem to shake.

When two hunters find her battered and scared, can she put aside the clear confusion she's experiencing to trust them? She wants to trust them, especially Nicholas, but fear is holding her back. Trust is incredibly hard when one is so clearly confused. Could it be he and his friend are not who they claim to be? Who are they really . . . and who is she?

About the Author

Kathy M. Howard resides in south Georgia with her husband and two children. She has been involved in some form of education since 1998 as an elementary school teacher, a private school principal, and presently as a homeschooling mom. As a child, she despised reading, dreading every assignment the subject gave. As an adult, Kathy finally learned to appreciate the written word, so much so that she is rarely seen without her nose in a book.

She loves the Lord and wants to share Jesus where she can, using words—written and spoken. By God's goodness and with the support and love of her family, she has written two novels, *FROM DISHES TO SNOW* (Oct. 2014) and its sequel, *FROM DRIFTWOOD TO SAPPHIRE* (Aug. 2015).
