NEW NOVEL TAKES A SCI-FI JOURNEY THROUGH SPACE DISCOVER IF ANNA AND HER ROBOT WILL BE ABLE TO CONFRONT THE CONFORMATIES OF THE NEW WORLD

RELEASE DATE: July 16, 2019
TRADE Paperback
PAGES: 480
PRICE: \$18.99
ISBN: 978-1-62020-984-4

For immediate release: A fresh approach to the sci-fi scene comes to readers from author Daniel Peyton in *Remnant* (Ambassador International, July 16, 2019, \$18.99). This story gives a true struggle of what different political aspects in our lives can affect our faith and what that means. Peyton explains there are many science fiction fans who are also Christian. He wanted to create a story that would include both.

In Peyton's novel, Anna is a Remnant, an underground Christian in a future where all religion is illegal. She must prove that the recent discovery of alien life is a fraud, or watch the world succumb to wicked politicians hell-bent on destroying God.

About the Book

The year is 2522. Anna is a Remnant—a secret Christian in a world that has banned any form of religion.

She is also an astro-geologist working with her Robot, named Z, for the Planetary Science Commission.

The PSC has worked for 200 years to find alien life on another planet, and finally, after two centuries, a primitive lifeform has been discovered.

Faced with the reality of evolved primitives on a forested moon, Anna begins to question all she has ever believed.

Anna and Z travel to the newly-discovered moon in search of answers, but a terrible accident leaves them stranded. Faced with dangerous natives and unfamiliar surroundings, Anna and Z stumble upon a conspiracy that has universal implications.

Will Anna discover the truth about the moon and its inhabitants?

Can God still move within a culture that has abandoned Him?

About the Author

Daniel Peyton started writing science fiction in the fourth grade and never stopped. He also has a passion for fantasy. Daniel enjoys reading, dancing, music, drawing, cooking, and embroidery. He is a long time member of the Embroiderers Guild of America where he has taught classes in stitching. He plays four different instruments and has sung with the Oklahoma State Universities Presidents Masterworks. He has years of stage work behind him in tap, jazz and ballet as well as Okinawan traditional and modern dance and music. Each week you can find him teaching classes at his church in Sunday school as well as the Life Development Institute of First Baptist of Morristown Tennessee.

Suggested Interview Questions for the Author:

1. Why did you write this book?
2. How did you develop the characters in your book?
3. What in your background inspired elements of your story?
4. Who was your greatest inspiration for writing this book?
5. How do you think Christian writers should approach science fiction?
6. Would you like to see this book as a movie or television show?
7. Much Christian speculative fiction uses strong allegory to bring Christianity into the story, such as C.S. Lewis' *Chronicles of Narnia* and Priscilla Shirer's *The Prince Warriors*. Did you use Biblical allegory in your book?
8. What is your favorite experience encountering a fan of your work?
9. You do artwork and have drawn characters from your book. Why?
10. Which is your favorite character and why?

Endorsements:

Remnant is a fast-paced, hard-hitting sci-fi that echoes present day society. Reminiscent of the styles of Jerry B. Jenkins and Timothy Zahn, Daniel Peyton brings to life a world of science and faith by asking: how far would one go to erase God?

—**Daphne Self**

author of *Mississippi Nights* and *Alabama Days*

Remnant weaves an interesting, futuristic story from historic Old Testament threads.

—**C.W. Briar**

author of *Whispers from the Depths*

Daniel has written something you don't see authors writing about, a Christian sci-fi that is totally exciting, adventurous, and on the edge of your seat as you need to keep reading so as to not miss anything.

—**Brian Shepard**

The Brian & Sherri Show
